

**Non-permanent
Scientific Technician 1 or 2
Region 2 Office, 1550 Alder St, NW, Ephrata, WA
Opens: April 22, 2010.....Closes: April 30, 2010**

Position(s): One Non-permanent Scientific Technician 1 or 2 position

Duration: 5 months

Anticipated Start Date: April 30, 2010.

Salary : Range 32, \$2212.00 – \$2855.00; Range 36, \$2426.00 - \$3135.00 monthly

Location: Region 2 Office, 1550 Alder St, NW, Ephrata, WA

This position will assist the Region 2 Warmwater Assessment Team conducting field activities. Primary activity will be angler creel and effort surveys, but may include: boat electrofishing, gill netting, fyke net sampling, rotenone application, or miscellaneous tasks. Applicants should be able to identify warmwater fish species, accurately measure and weigh fish, record data, and work effectively day or night during varying weather conditions. This job will require extensive daily travel

Applicants should be able to lift 40lbs and be able to work long hours when necessary.

A valid driver's license is required.

Qualifications:

Graduation from high school or GED, including one year of high school science and two years of experience as a Scientific Technician 1 OR Graduation from high school or GED including one year of high school science and two years of laboratory or field experience as an assistant to a biologist, chemist, or zoologist. College course work involving major study in biology, zoology, fisheries, chemistry, natural sciences, or closely allied field will substitute, year for year, for experience, provided the course work includes at least six semester or nine quarter hours of natural science classes.

How to Apply: Interested persons should send a completed state application to WDFW Attn: Marc Petersen at 509 754-4624 ext. 222 or by e-mail Marc.Petersen@dfw.wa.gov **ASAP** (would like to hire the first week of September if possible).
